

About Us

The Lafayette, Indiana Historic Auto Club, Inc. is a non-exclusive, mixed social group of people with a common interest in restoring, preserving, and driving all makes and models of older cars. We currently have over 70 members with more than 400 cars ranging from pre-WWI to modern day. We enjoy visiting new places, arranging driving tours, and displaying our cars at places like retirement communities where people will appreciate seeing them. We welcome people of all ages and walks of life to become members of LIHAC.
